

The ArmorSource Ultra-Lightweight Ballistic Helmet is an innovative, solid and extremely comfortable solution for front line units and special forces. The AS-501:

- provides extremely high protection against a wide spectrum of small fragments as well as handgun bullets;
- is manufactured in accordance with AR/PA 10-02
- is extremely comfortable due to its light weight and flexible pad system;
- utilizes the ACH shape, used and accepted by the U.S. Government and other military organizations worldwide; and
- is made in the United States.
